Youth Commitment:

I will be committed to serving however the leadership over me sees fit to use me, and I'll strive to do so with a loving and caring attitude for those that I am ministering to. I understand that whatever ministry that I am a part of, is not for my glory or entertainment, but for the glory of God. I also understand that I may be asked to step out of ministry if I do not have the right motivation or if I am not consistently attending the main Worship Service.

I understand that the opportunity to serve at Cornerstone is a privilege, and even after I receive approval to volunteer, I understand that my ability to participate in ministry will be under ongoing review.

I understand that I may be removed from the list of approved volunteers for any of the following reasons:

1. If I am not responsible in the roles where I am placed.
2. If I am not respectful and obedient to the authority that is put in place over me. i.e., in the church, in the youth group, in your area of ministry
3. If I stop consistently attending the main worship service on Sunday mornings.
4. If I am not obedient and respectful to my parents.

Parent Commitment:

It is vitally important that we have your input as parents regarding your youth's involvement in any of these ministries. It is our desire to provide them a ministry opportunity that will teach them about ministry and commitment to a local church as well as opportunities to interact with more mature believers to help them grow in the love for and knowledge of Christ.

While it is not required that your teen have a profession of faith in Christ, it is still important that they are living in a consistent manner of respect and obedience to their parents and others in authority (Eph 6:1-3; Titus 1:6). If there is any concern or reason why you do not think your teen should serve, please talk with one of the elders.

Ministry Application:
